

**DISTRICT GOVERNOR JACKIE GLAZIER**

Hello Lions,

I am looking forward to an exciting year, of sharing ideas, visiting clubs, and being with Lions. Lions are you ready for a year of fun?

Big Thanks to the Lions who stepped into District chair positions. Every Lion makes our District stronger and by working as a team our District becomes stronger. We all need to respect each other's position and duties, but assist when needed and asked. TEAMWORK makes everything work smoother.

My District Governor goals are about Clubs and our District Lions.

My first goal is to have clubs achieve the Club Excellence Award. I will be bringing the form to club visits. The form, with instructions, is easily attained off the LCI website and is a very well deserved honor for all clubs. Go Lions!

Zone Chairs will be setting up their Zone meetings and club visits. Please attend Zone meetings as the chairpersons have stepped up to assist us, so let us show our support.

Lots of things will be happening, more news coming soon. Keep sending in pictures and do club reporting. Lion Peggy Frank, again this year, is the District Administrator to help with assisting clubs with their reporting (if needed).

Remember, **We Serve!** "Together We Can!"

## 1<sup>ST</sup> VDG Jim Patterson's Message

### Here's An Offer Too Good to Refuse!

As I sit here pondering what I can do to assist the clubs in our great district in the coming year, I am struck by the enormous size of the issue. Our District covers 39 clubs in 17 counties. There are clubs with as few as 4 members and some with almost 60 members. Some club's fund-raising efforts are focused almost entirely on local causes while others donate heavily to the state and district projects. To complicate my dilemma further, some clubs are situated in larger urban areas while others are rural. The populations are a wide mixture of farmers, tourists, university students and staff, and both small and large businesses. It is obvious, even to me, that there is no "one size fits all" solution.

During my club visits this past year I have generally avoided the usual topics of conversation. We all know membership is important. We all know that LCIF had a Campaign 100 going...and so on. Instead, I have tried to "spread the word" on what programs are available to assist clubs in serving their communities. And that is exactly how I envision my job as 1<sup>st</sup> Vice District Governor: as someone who helps clubs accomplish their mission - whatever they see that mission being.

So here's the deal I'm offering: I will come to your club to offer any information that you feel you need. It could be informative like what programs are offered by the Lions of Michigan Foundation for clubs to use (and there are many!) or how to use the myLion app. Maybe you'd like to use Facebook better or use a spreadsheet to set up a budget. It could even be something like how to use a battery powered drill to mix five gallons of pancake batter. I'm willing to try anything to help you succeed.

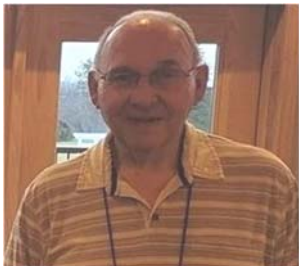

You tell me what information or tools you need to make your club better and I'll do my best to provide it in a way that is helpful to you. Some stuff I'll be able to do on short notice, other subjects may take some preparations so let me know as early as possible.

You can contact me through the Message feature of the myLion app, my cell: 231-250-0925, email: [pattersonjv@comcast.net](mailto:pattersonjv@comcast.net) or through Facebook messaging.

Go ahead; take me up on my offer. I dare ya!

## 2<sup>ND</sup> VDG Robert Roebuck's Message

## The State of our District 11E1 Past District Governor Bill Bradfield Report

At times it seemed to drag on and yet at other times it just flew by. The following is a synopsis of things that we did accomplish:

- Goal number One-Create the Karla Roebuck Award-Completed
- Goal number Two-Assist all clubs with Recruitment and Retention-Completed
- Goal number Three-Encourage our clubs to endorse and support Campaign 100-Completed
- Goal number Four-Perpetuate our D.A.D. program and make it self-funded. The Grant is depleted and we have completed one Diabetes cooking class in White Cloud and one in Cadillac Dinning With Diabetes and both were self-funded.
- Encourage our clubs to support LCIF the way they have supported us, and we did. We raised over \$17,000. 124% more than the previous year.
- We projected over 100 new members and we brought in 158.
- When COVID stopped others, we adjusted and embraced change and certified over 14,000 participants in the entire state with Diabetes classes and accomplished our training goals online.
- We adapted to the worst Pandemic in our Nation's History and moved progressively ahead by distancing, masking, and Zoom Meetings.
- Our members were tenacious and persevered with their goals and received 11 awards in December and 13 more in April and May. **"We did it From the Heart"**
- We helped each other as Lions and all of the members in our communities.
- We continued funding all of our great charities including Leader Dog, Paws With a Cause, Kids Sight, Hearing Aids, Hunger, Childhood Cancer, Diabetes, Allstate Band, Bear Lake Camp, Sight Conservation, LCIF, White Cane, Michigan LCIF, and more.
- We initiated a social media program online with facebook, a first for us.
- The Path of Leadership became very difficult to navigate with the trying times that we faced, but we persevered.
- Our learning process to gain new skills will continue to grow in the future.
- I wish the very best to all of our new officers in their upcoming term.

I enjoyed my term serving all of you in both good and bad times. As Lions, we never know how we will be called upon to serve in the future, but when we are needed "WE Will SERVE" once again.  
Sincerely PDG Bill Bradfield Jr. Recruitment + Retention = Healthy Lions Clubs

# Meet Laura and Harry Johnson, avid Lion Club members

Harry and Laura Johnson, of Bitely, live to be of service to others.

By Shanna Avery  
FOR THE STAR

*(EDITOR'S NOTE: Getting to know our community is a new regular feature in the Star. Each person has a story to share, hobbies, experiences and wisdom learned from life. The Star is reaching out to people in the Lake County area of all ages and walks of life to interview.)*

**BITELY** — Seen around the Baldwin and Bitely area, many times in their purple Baldwin Lions Club shirts, other times just helping out at functions where needed, husband and wife Harry and Laura Johnson, of Bitely, have dedicated

their lives to helping others.

Having been married for 53 years, the couple moved from Detroit to the Bitely area in 1973.

"We moved up here to put our oldest boy in kindergarten," Laura said.

Back in Detroit, Harry was a Shriner. When he became part of the Bitely community, he was invited to join the Lions Club, and Laura became a Lioness. He transferred his Shriner work up here and joined the Lions.

At this time, he worked in Grand Rapids with the railroad, working five years to build the family house, living

without electricity during that time.

"In the summer our sons would go down to the river to bathe, and leave with suckers on them," Laura recalled.

Laura worked with the senior's meal program in Bitely and then volunteered with the food program at FiveCAP, then gained employment starting out as a bus driver/transfer aid at the Head Start Center. She worked there eight years, having a Child Development Association Degree from West Shore Community College.

Harry stayed with the railroad for 18 1/2 years until about

1983 or 1984. The railroad moved operations to Florida and he didn't want to move with it. Instead, he attended Ferris State University to get a degree to be a graphic arts teacher, but before he graduated, he accepted a job at the White Cloud Post Office. A professor at that time encouraged him to stay with the Post Office.

Laura also ended up working with the post office as a carrier, while Harry was clerk. Laura worked there for 19 1/2 years after FiveCAP.

### 'THAT'S WHAT YOU DO'

Also around 1983, Harry, being at the district level with the Lions Club, chartered the Baldwin Lions Club — still going strong today with himself and Laura as some of the leading members.

Harry coached T-Ball through the 4-H program when their youngest boy, now 39, was learning to play.

Laura got involved in Cub Scouts in Bitely until her two older boys outgrew it. When her third child was old enough, she and Debbie Wilkinson started it up again and restored the Bitely Library with money from the community foundation to house it.

Harry began running kids games for the Baldwin Lions Club about 1985, and this led to him chairing the Bitely

Homecoming when he was asked to take over after the previous chair resigned. He is still chairing the beloved festival nearly four decades later.

Laura was elected to the Big Jackson School Board and has served as secretary for more than 30 years. She also has been with the Newaygo County Regional Educational Service Agency about six to seven years as secretary.

The couple remain very active with the Lions — working with mission trips for eyeglasses, checking prescriptions at places like the bank. The glasses are donated to countries in Central America and Mexico. Harry has participated in 14 mission trips and Laura 12 trips. They also volunteer with the Special Olympics in Mt. Pleasant with (Opening Eyes) which is funded through the Lions International Foundation.

Harry has been involved with the Home Township zoning board since 1974, and has served in other capacities as zoning officer.

Laura is active at the Big Jackson Church of God and uses her love of instructing kids to teach children's church two Sunday's a month. She also is involved in an angel tree program and other Christmas-based programs.

With reaching out to others in the community, the busy couple do have some hobbies they enjoy in what free time they have.

"Harry likes to garden. I

like to flower garden and love feeding birds. I have about 15 feeders in the yard with different foods," Laura said, sometimes attracting some bigger visitors.

She has used her creativity with creating stained glass, and these days, since shoulder surgery, making garden ornaments and art, such as solar lights and bird feeders through recycled glass. Laura also loves cookie jars and boasts a collection of more than 350.

The couple also loves to travel, and have been through Europe, Central America, Haiti, Costa Rica, Dominican Republic, Panama and other places.

Laura offers these words of wisdom for readers:

"I just believe you have to pass blessings. We're not rich, but we get the bills paid, and if you have the ability to help people, you can give your time, talents and gifts — you need to do that. I was raised that way. Harry lives for volunteer work. If you can help someone else, that's what you do."

Wow!  
Congratulations!

# MANISTEE LIONS

## MDOT Adopt A Highway

Early this spring the Manistee Lions Club did our part to keep America beautiful. We cleared trash from two miles of M-55 Highway. We picked up at least 20 bags of litter.

Friends of Orchard Beach State Park  
Manistee Lions donated \$400 to Friends of Orchard Beach State Park to help with purchasing all-access playground equipment.

3-Day Fishing Tournament - Brat & Hotdog Concession During the 3-day fishing tournament held the last week of June, the Manistee Lions ran the brat & hotdog stand. We presented Manistee County Sport Fishing Association with a check for \$500. The contestants were happy to donate some of their catch. Thanks to Lions Lorrie Manthie and Richard Veine, we garnered lots of Lake Trout and Salmon for the Lions annual Fish Boil. Mick & Virginia at Concession stand. →

Lorrie scored another fish.

Rich scored a Big fish.

The Manistee Lions Club once again held the Lions Fish Boil at 1<sup>st</sup> Street Beach during the Manistee National Forest Festival. What a beautiful setting and the weather cooperated. People were so happy that we were having the Fish Boil after two years of event cancelations because of COVID. If you see a picture of grumpy looking people, it's because they had to wait a little bit for the cooks to catch up with supply and demand. I think it was worth the wait. We didn't get any complaints, only compliments!

# WE ALL EAT!

We all eat breakfast, lunch, and dinner or supper, unless we are dieting and skip a meal. Are you eating the same menu and need innovative ideas of what to prepare for these meals? The Michigan Lions Service Foundation has come to your rescue. They have a new cookbook with recipes from Lions across the state of Michigan. Staying at home during COVID has encouraged more of us to try our hand at gourmet cooking and change our usual menu. Cookbooks sell for \$15.00 and can be purchased from your Foundation trustees Pam Schroeder or Pete Conarty. If a club would like to sell them as a fundraiser, the Foundation will reimburse you \$5.00 per cookbook for twenty plus cookbooks sold. Flyer below.

## Lions of Michigan Foundation Dr. Robert Mathog Lions Hearing Centers

### Cookbook Fundraiser

Lions Clubs are well known throughout the world for the services we provide to help people with hearing and vision loss. Nearly a century ago, Helen Keller challenged Lions Clubs to be "Knights of the Blind," and she declared that "the problems of deafness are deeper and more complex, if not more important, than those of blindness. Deafness is a much worse misfortune, for it means the loss of the most vital stimulus — the sound of the voice that brings language, sets thoughts astir and keeps us in the intellectual company of man."

Our new Lions Hearing Centers Cookbook was developed to create awareness for the treatment of hearing loss and to provide funding for our Michigan Lions Affordable Hearing Aid and Hearing Screening Programs, which offer affordable hearing care options for Michigan residents.

With your help, we can continue to change the lives of thousands of Michigan residents who need and depend on the Lions Clubs of Michigan and our partners, sponsors and friends for the treatment of their hearing loss. Lions Clubs or other nonprofit organizations who sell 20 or more cookbooks collectively will receive a \$5 rebate for each book sold to be used for their local projects.

As a Public Charity, all contributions to the Lions of Michigan Foundation are tax deductible to the full extent allowed by law. We appreciate your support!
