

**DISTRCT GOVERNOR JACKIE GLAZIER’S MESSAGE**

The first day of February is our District Cabinet meeting. Cabinet meetings are a great opportunity to hear from all the District Chairpersons and learn what is going on in our District and State. All Lions are welcome to attend the meeting. Zone meetings will be scheduled within 30 days from the Cabinet meeting so be prepared to attend the Zone meeting in your area. We learn by sharing information with each other; we are all on the same team; and are working towards the same goals. Communication and teamwork are very important. Let’s share our ideas and help each other.

Have you filled out your registration for the District Convention? There are exciting fun crafts and other activities planned for the weekend. Don’t forget to bring your Club banner to the Park Place Friday night and get your name in the drawing. Silent auction items are needed. We’re looking for nice hopefully new items or perhaps your Club can provide something.

I will be at some Zone meetings and still have Lions Clubs to visit. Being with Lions is my favorite thing and biggest joy. I am happy to attend and assist with Lions activities when I can. Lions, always feel free to give me a holler if you would like a visit, another visit, or help with an activity. If I haven’t visited yet, I haven’t forgotten. I will get to everyone. Clubs, some of you need a reminder about doing your reports. If you need assistance, please let me know as we have people that can help. There will be a training session on it at our District Convention. Please plan on attending.

Four quotations, from four different people, are below. See if you can figure out who said what and how do you feel about the quote? Do you have a favorite?  
(Read the rest of the newsletter to find the answers.)

“Alone we can do so little; together we can do so much. Life is either a daring adventure, or nothing. The best and most beautiful things in the world cannot be seen or even touched—they must be felt with the heart.”

“Today you are you! That is truer than true! There is no one alive who is you-er than you! Unless someone like you cares a whole awful lot, nothing is to get better. It’s not. Don’t cry because it’s over. Smile because it happened.”

“For my part I know nothing with any certainty, but the sight of the stars makes me dream.”

“Insanity—doing the same thing over and over again and expecting different results. Imagination is more important than knowledge. Imagination is everything. It is the preview of life’s coming attractions.”

## First Vice District Governor Bill Koch

Lions of 11E-1,

Just think the Lions year is half over. Are you having fun yet??? I have been busy with trying to visit Clubs and learning more about our District. We are blessed with so many Great Lions and Lions Clubs that do so many things. I cannot, sometimes, understand why our communities do not beat down our door to join Lions. The following are some of the ways our clubs serve our communities:

1. Serving coffee and sandwiches to firemen and women when a fire occurs in the area.
2. People need dinners and Lions take care of it.
3. Sometimes financial services help is needed for a person and Lions help with it.
4. When hearing aids are needed, Lions take care of it.
5. School dinners for high school teams, Lions take care of it.
6. Hats, gloves and coats for children, Lions take care of it.
7. Visiting a retirement center, Lions take care of it.

The list will continue. Lions take care of their communities. I think the communities need to know how much they rely on you. We need to keep doing all those things, but we need more of you to continue our service. Maybe our communities take it for granted that we will always be there. If not you, than WHO. Gently nudged them, to let them know we need more members. We need more members to continue the standard that we have set to help our communities.

Thank you for all that you do, 1st Vice District Governor Bill

We are quickly winding down our funds for the DAD Program. For 11 E-1 it will be another successful LCIF event that we can all be proud of. Upcoming events include 'Dining With Diabetes' in White Cloud, Harrison, Coleman, Manistee, and the Barryton event will end on February 4<sup>th</sup>. We also have one more A1C Screening event in Mt. Pleasant in March.

The poster pictured here for Campaign 100 will show you where your donations go to some very worthy causes.

If you donate \$100 to the Campaign, your daily cost will be less than the cost of a cup of coffee from your favorite restaurant—just .28 cents per day! If you think about the DAD grant that we received last year from LCIF, you will have \$250,000 reasons to feel good about giving some back for future grants. Go Lions, Bill Bradfield

*"How does my \$8.33 a month help?"*

**FEBRUARY 2020 DISTRICT 11 E-1 LEADER OF THE MONTH  
ANN ROESELER**

Ann joined the Lions Club in 2001 after moving to Coleman. She was elected 2<sup>nd</sup> Vice President of the Coleman Club in 2004 and quickly became President the same year when the President and Vice President left to charter a new club. She served as Club Secretary from 2005-2012. She has been the Club President three times, Tail Twister, and a board member for two years. She is currently the Coleman Club's Secretary. Ann initiated the Club's Adopt- A- Highway initiative in 2005, Peace Poster contest involvement, and the Club's KidSight program. At the District level, Ann has been Peace Poster Chair, District Project KidSight Coordinator for the last two years, and participated in the District's Eye Glass Mission to Mexico.

Ann was an Elementary School Teacher in Beloit, Wisconsin and Hillsdale, Michigan for a total of 23 years. After moving to Coleman, she substitute taught for 8 years before retiring. Ann is an ardent community volunteer. As a member of the Trinity Lutheran Church in Midland, she is an usher, communion assistant, and teaches Sunday and Bible school. She is a member of the church's Disaster Relief Mission Team and has worked in numerous states helping to repair homes since 2005. She has been a preschool story hour reader for ten years at the Coleman Area Library. Ann was a Board Member of the Midland County Literacy Council for three years and ran the Barton (reading) Tutoring Program at Coleman Elementary School. She has delivered Meals on Wheels in Coleman for 15 years.

She has been married to IPDG Al Roeseler for 51 years. They have three married children and five grandchildren. In her leisure time she enjoys reading, traveling and cross word puzzles.

Lion Ann Roeseler is our District's February Leader of the Month. PDG Pete Conarty, GLT

**LEADERSHIP IS A CAUSE:** Leadership is not a position, title, or an authority, it is an action. Some Lions take on positions and carry out the duties that need to be performed. Other Lions give the position some thought and look for ways to improve their responsibilities not only for the club but how it will enhance their contribution to the community. In this way, they pave the way for the club to grow and be more responsive to the needs of future members. Teamwork plays a big part in Leadership because it is an opportunity to see someone else's strength or talents as a compliment to your skills. Not as a threat to your position or authority. If they shine as a result of their work, it reflects on you as the Leader and your club position or committee. PDG Pete Conarty, District 11 E-1 GLT

(A portion of the Leadership and Team work statements above were quoted from Lori Sheehan's Facebook page. Lori is the wife of LCI's 2<sup>nd</sup> Vice President Brian Sheehan.)

***MICHIGAN LIONS HALL OF FAME***

*The Michigan Hall of Fame is a project of the Lions of Michigan Foundation. The goal is to recognize and honor Lions who have had a significant impact on Lionism in Michigan. District 11 E-1 has had the good fortune of having five of our Lions inducted into the Hall of Fame: PDGs Jim Chipman, Harry Johnson, Wayne Kreitner, Dan Gibbons and Lynwood Mast.*

*All of the Michigan Lion Districts have the opportunity to submit the name of one living and one deceased Lion to be considered for the Hall of Fame each year. Each year the committee picks four living and two deceased Lions and the Hall of Fame members pick one Lion for the Hall of Fame. Applications are available through your Foundation trustees, PDG Pam Schroeder or PDG Pete Conarty or through the Michigan Lions Foundation. Applications and a biographical form need to be filled out and submitted to the District Cabinet for their endorsement. Nominations will be accepted at the Foundation no later than March 1, 2020.*

## Luther Lions

We have had another successful "Feeding America" distribution on January 16th. More than 109 households served, translating into 272 people. Our monthly dinner was on January 22. The Soup Supper consisted of four homemade soups, all you can eat, with beverage and dessert for a donation. Proceeds benefit our scholarship fund for Pine River High School graduates. All in all we did well with collecting \$450.00.

## Fremont Lions

**Students In Need of Eyecare (SINE) Project–Hesperia** The Michigan College of Optometry at Ferris State University partnered with the Fremont Lions Club to provide an eye care program for students in the Fremont and Hesperia Public Schools. The program, **Students In Need of Eyecare or SINE**, was made possible through a unique partnership with the City of Fremont with their agreeing to act as the fiduciary agent. This made the program eligible for a grant from the Fremont Area Community Foundation. With a grant of \$22,000 the program was designed to service 60 participants. Students were referred to the **SINE** program by a teacher, administrator, support staff, or parent/guardian. Since more students were referred than the program could handle, a selection process based on access to, and history of previous eye care, and the severity of potential eye problems occurred. The need was so great that 14 additional students were selected with the university agreeing to absorb the cost of the extra exams. On December 5, 2019, during regular school hours, 74 students were transported to the Ferris State University for a comprehensive eye exam and a tour of the university. Parents were encouraged to attend along with their student. Of the students examined, 5 were advised to seek additional evaluation if their symptoms persist, 23 were recommended for further testing, and 58 were found to be in need of prescription glasses. The glasses were delivered and fitted to the students on Friday, January 10, 2020. It was a day of joy and celebration with excited students seeing the world in a new way.

## White Cloud Lions

On Christmas Day, White Cloud Lions partnered with *Sharing Christmas*. (A local group of volunteers whose mission is nobody spends Christmas alone.) Over 650 Christmas dinners were served and close to 200 meals were delivered to home bound community people.

On December 6, we hosted a 'Friends of the Library' fundraiser with a Swiss Steak dinner and Tree Auction to raise funds for the local library totaling \$1,700. At our annual Christmas toy auction we collected 3 boxes of toys for local children. We also collected several large boxes of food for our local pantry.

Coming up: Dining with Diabetes classes on March 11, 18 & 25th at the White Cloud Den, 5-7pm.

## Harrison Lions

Harrison Lions have picked prizes out for our spring raffle drawing. Raffle tickets go on sale April 4, held at Jay's Sporting Goods and Family Fare in Harrison.

## Midland Lions

MIDLAND LIONS ACT TO RELIEVE HUNGER  
JANUARY WAS DESIGNATED AS "HUNGER AWARENESS" MONTH BY LCI

The Midland LIONS Club has sponsored a Mobile Food Pantry (MFP) for 15 years. Again this year, at the Midland Ice Arena, the Midland Lions along with the Midland County Emergency Food Pantry Network, hosted a Mobile Food Pantry on January 23, 2020. The MFP provided a grocery cart full of many essential food items for 258 families (7?? People). The numbers of families served was up from last year. Families are in

need when finances are short due to high energy costs and holiday expenses. Volunteers serving included 11 Midland Lions and 2 spouses. Midland Lions serving included Thayre Talcott, Al Ducham, Eldon & Mary Dean, Jim Warheit, Ollie Juengel, John & Joanne Clever, Bob Stoney, Dick Ivan, and

Mike & Tina Hoy. Volunteers push the carts around to each “station” and loaded them up before taking it outside so each recipient can pick it up. The “stations” included cereals, fruit and frozen meats, potatoes, rice, breads, pastries, canned goods, pastas, etc. A full semi truck arrived early from the Food Bank of Eastern Michigan and was unloaded and set up. We were able to start the food distribution earlier than in past years. The Midland Lions paid for the whole truck of food.

Thank you Lions for responding to this need. WE SERVE! Lion Thayre Talcott

## **Leader Dogs for the Blind**

When I got my first Leader dog she was from a donated litter. Several years after that, the Puppy Department achieved one of their goals. They had enough female and male dogs in their breed stock program that they no longer needed to accept donation dogs. Now the program is working great. This year they have more puppies than they have raisers to take them.

The "job" of puppy raisers requires taking a puppy from the time it is 8 weeks old until its first birthday. During that year the puppy raiser needs to teach the puppy basic obedience and expose it to many situations around people. Leader Dog has a manual to guide the raiser through the process and a puppy counselor to help. If anyone is interested in becoming a puppy raiser please contact Leader Dog at 888-777-5332. [Submitted by Lion Pam Blizzard, Leader Dog Co-Chair.]

## **District Eyeglass Mission Trip**

We have an upcoming District Eyeglass Mission Trip to Haiti. There have been a few problems with our equipment (lensometer and main computer hard drive). All is repaired now and we are ready to continue with eyeglass workshops. We currently go to Harrison, Coleman, Cedar Maple City, and have a workshop coming up at White Cloud. We have over 1,500 pair of glasses bagged, tagged, and entered into the computers. The Baldwin Club has given the District a donation of \$500.00 toward the Mission fund in the District line item. Any Club wishing to donate to this worthwhile program is invited to do so. We are also looking for Lions that would like to participate in this and future mission trips to contact PDG Harry Johnson as soon as possible.

[His contact is [lionharry1947@gmail.com](mailto:lionharry1947@gmail.com) or 1-231-745-4524.]

## **Used Hearing Aid Donations**

Remember we accept used hearing aids of any age or condition. All used hearing aids are recycled with one of the hearing aid manufactures. Lions of Michigan Foundation is given credits to be used towards the purchase of new hearing aids. Most Clubs collect hearing aids with their glasses. If you have hearing aids for recycling give them to our Foundation Reps. Lions Pete or Pam, your zone or region chairs, or Lion Peggy Frank at 616 217-6840 for pick-up.

## **Kids Food Basket Project**

Kids Food Basket of Holland uses their buying power to purchase items for \$1.00 per snack bag. The State Global Service Team voted for each district to pay \$200.00 towards the cost of the project. To pay for the service project District 11 E-1 will have a free will donation available at the District Convention in Traverse City [March 27 & 28]. If clubs not attending the convention would like to donate to the State Project please give your checks to your zone or region chairs. Any funds over \$200.00 will be deposited in a dedicated line item for next years' service project. If you have any questions call Lion Peggy Frank at 616 217-6840.

The Multi-District 11 Convention [May 15 & 16, 2020] Service Project this year is to make 2000 snacks for Kids Food Basket of Holland. The service project is to assemble 2000 snacks that will include a pudding cup, fruit strips, individual size pretzels or cheese-its, and 2 small meat sticks, in a quart size Ziploc bag. The Kids Food Basket will provide all the items and Michigan Lions will be assembling the snack bags. Kids Food Basket will pick up the assembled snack bags to then be distributed to kids who are receiving free or reduced lunches at school.

Presented by the Global Service Team  
HOLIDAY INN GATEWAY CENTRE, FLINT  
***"NOT YOUR FATHER'S SOCK-HOP"***

The purpose of this event is to combine Lion's fellowship with the collection of needed winter items for three worthy causes. Join us for some upbeat music by a local Lion D.J. as well as some time to make special memories using an old-fashioned photo booth.

Come as you are or dress for the occasion. Awards will be given out for "most spirited individuals" both in dress as well as over-all spirit. The most coveted award will be for the individual or Lions Club with the most collected packages of socks.

In keeping with the title of the event, we will be collecting men's, women's and children's socks. The "entrance fee" is a 6 pack of socks or 3 boot socks (as these are often more expensive). Please note that during the winter holiday and early 2020 months, "buy one get one free" socks are often available. Be sure to "sock-up!"

The Collections will Benefit Three Local Charities

*Men's Homeless Shelter*

*Women's Homeless Shelter / Domestic Violence Shelter*

*Title One Elementary and Middle School*

Please Note:

Hotel Reservation Deadline is February 7, 2020

Registration fee is \$40.00 before February 7, 2020 and \$45.00 after.

## Keynote Speaker

### Gary G. Abud, Jr. Educational Consultant

The Michigan Lions Forum Committee is pleased to host Educational Consultant and author of *Science with Scarlet*, Gary G. Abud, Jr., as this year's keynote speaker.

Gary Abud Jr. is an award-winning educator and double cornea transplant recipient who, since having his sight restored, was moved to use his teaching gifts to make science fun for kids. He lives with his family near Detroit and writes to inspire children, like his own daughter, to love science. Gary is the 2014 recipient of the Michigan Teacher of the Year honor. ### Dear District 11-E1 Lions Clubs:

Each year at the District Convention we remember and honor those Lions who have gone to serve in the Kingdom beyond. The District Convention 2020 will be held on March 27 & 28. Preparation for the Saturday morning Memorial Service takes a lot of time and the cooperation of all Lions Clubs in the District is critical. If your club has lost a member since the 2019 District Convention, I would like to receive the information NOW so that we can begin to put the memorial together.

Please fill out the form included in the newsletter and send it to me, along with a color (real) photo of the deceased member that I can scan. You may also email a digital photo (preferred method). **The Form and photo should be separate files if emailing.** Please do not send a copy of the obituary as the photo or the biography. Fill out the form as well as you can and scan in a glossy photo as a .jpg file and the form as a document. If you do not use the form, please note that the write-up should include the member's Lions history—Club, District, State, International—and can also include other non-Lion information relevant to celebrating their life. **PLEASE take this seriously and if you do not know the person's history, do some research and ask other members to help you write the tribute to their life and service.**

As the convention nears, I may be contacting you if there are any questions or needs. If, after submitting the forms, any additional members pass away please forward the information for that member AS SOON AS POSSIBLE. This will make the final preparations for the Memorial Service go much smoother. Please note that if any Lions member passes after the cutoff date of March 15, 2020, you have the choice this year of getting that member added to the Memorial Program this year right up until the convention or you may wait to have that member honored at the 2021 convention. I will be able to make additions and corrections right up until the convention. Thank you for your assistance.

Yours in Lionism,

Lion Karla Roebuck
