

**DISTRICT GOVERNOR JACKIE GLAZIER**

**Happy Valentines Day Lions**

February is our shortest month of the year. As the days and months go by, so does this brisk weather and we will be welcoming our snowbirds back. This time of year brings with it the beginning of lots of events we as Lions can attend together and share ideas and learn more about what Lions are about. Please read through the newsletter carefully and find the registration for the MI Forum, District Convention, and the MI State Convention will be coming. Clubs will be hosting events and service projects will be popping up all over. Great time for Lions!

Our International President Brian Sheehan has added to the We Serve theme—Together We Can. As Lions we should all feel great when seeing or hearing this.

**Achieving Great Things Together:**

IP Sheehan’s program & initiatives will focus on four key priorities for Lions International that are critical to our mission of service:

- 1-Sharing the joy of being a Lion
- 2-Supporting our global foundation—LCIF
- 3-Thinking bigger when we serve
- 4-Advocating for local and global causes—

*Diabetes, Vision, Hunger, Environment, and Childhood Cancer*

How can your club initiate and achieve the goals IP Sheehan has laid out? When will the club start? Do these goals coincide with the DG’s goals? Is it fun thinking outside the box as president Brain will tell us to do? Is it time for a different project in the club? Remember every idea now was once someone’s idea and they convinced others it would work—can you? Clubs are you still working on the DG’s goals? Remember they are listed in the roster book, but here is a partial update:

Club Excellence Award, Clubs Reporting Service, Donating to LCIF, and Clubs visiting other clubs.

Club Secretaries and Presidents be on the watch for an e-mail coming your way soon. What is it you ask?

***NEW VOICES - Read All About It!***

Mark your calendar for Saturday March 4<sup>th</sup> , time TBA

New Voices Chair is thinking FUN outside the Box!

Watch on our District FB pages.

Flyers will be posted.

Lions you and friends won’t want to miss this so Keep Watching!

## 1<sup>ST</sup> VDG Jim Patterson's Message

We are coming up on the time when you may be asked to step up to a leadership position. You probably are thinking, "No way! I'm not the leadership type."

Henry Ford once said "Whether you think you can or you can't, you're right." In short, your attitude rather than your skill level has everything to do with your success. Your club and your district need what you have to offer. By avoiding even a small leadership role you deny your club access to your imagination, creativity, uniqueness and passion for serving. It is a loss that shouldn't happen.

I speak from experience. I make no secret of my initial reluctance to serve in district leadership. But others whom I respected gave me the courage to step up. I admit that I was nervous and concerned that I would do a poor job. But the words of Abraham Lincoln echoed, "I'm a success today because I had a friend who believed in me and I didn't have the heart to let him down." It's true! I am soon to be the district governor because good friends said I should and I couldn't disappoint them. It's been a year and a half now and I'm finding my feet. With the help of good people with great ideas and motivation I am "becoming." You can too.

Your club and your district call on you to serve because they see a quality in you that perhaps you are unaware exists. Besides, you have ideas about how the club or district should be run - you know you do! A leadership role gives you the opportunity to put those ideas to the test. Sure, it's unfamiliar territory but despite those fears it is good territory to be in. Taking on a leadership position will be good for you and good for Lions.

When you are asked to serve in some capacity (and you will be) challenge yourself to accept a leadership role. It's OK to start small - be on the board, become a committee chair - take a risk. Then take advantage of the free training available to you.

I tell you with complete honesty, I have never...ever...been exposed to an organization that takes training leaders as seriously as Lions International and the Lions of Michigan do. These are not organizations that teach swimming by dropping you into a pool of hungry sharks. They recognize that most of us have little leadership experience and approach training most appropriately.

There are workshops, seminars, podcasts, online courses, books, PowerPoint presentations, in person coursework and on-and-on. Many of these resources can be accessed via computer from your own comfy chair at home. Most take less than an hour of your time to go through. Don't know where to start? Start here: <https://www.lionsclubs.org/en/resources-for-members/resource-center/club-president-vice-president>.

Don't be afraid to ask for help. Help is readily available from leaders and former leaders in your own club. I'm the first to recognize that I'm not the "brightest bulb on the string" so I make up for my lack of brilliance by asking a lot of questions. Go ahead, ask, it's OK!

Grow into that first position and when asked again, take the next step up. I guarantee your life will change for the better and your club will be the better for your efforts. Seriously, NO ONE WANTS YOU TO FAIL! Putting it another way: EVERYONE WANTS YOU TO SUCCEED! With that kind of support, how can you not?

# AWARD OF EXCELLENCE

At the end of my term as governor, I submitted Excellence Awards requests to LCIF on behalf of the Coleman Club for a great job they did in giving out Turkeys to needy families during COVID. President Al Roeseler and his club members did an excellent job on this project and Al was awarded the Award of Excellence lapel pin and the Coleman Club was awarded a patch for their banner, Go Lions! I presented this award to Al at the January 14<sup>th</sup> cabinet meeting in White Cloud. Also mentioned was the Stanwood Club receiving the same award for a scholarship award to be presented at a future meeting. Both Clubs should be applauded for their achievements.

I also submitted a request for the same award for the great work that the district was able to complete during another Pandemic year. Lions International President Brian Sheehan awarded this medal, with ribbon, to me as the governor of District 11E1 and sent me five additional medals to give to the people that were very helpful to me during my term in office. We can feel very proud as Lions of District 11E1 that we were recognized for all of our achievements while COVID was raging through our state. Other Lions who received the same honor included 1<sup>st</sup> VDG Jim Patterson, 2<sup>nd</sup> VDG Bob Roebuck, David Low, and Dennis Hyzer of Cadillac who was not present. On certain occasions people from the communities that we serve are also given awards from the Lions organizations, and with the approval of Governor Jackie, I presented the same award to the President of the MichCanSka International Snowmobile Club, Don Lipinski, that has raised Hundreds of Thousands of Dollars for Diabetes services given to many communities across Michigan as well. The last recipient to receive the award was the 15 year old granddaughter of Don Lipinski, Josie Lipinski, who was our poster child for the world tour on Snowmobiles in 2015. She was diagnosed with type 1 at the age of six taking six to eight shots of insulin daily. She has been a real inspiration to other children struggling daily with the problems that have faced her throughout her very young life. The members present gave our guests a great round of applause for being with us and telling their story.

I would like to make the members aware of a new committee that Governor Jackie Glazier has established and that is the committee of Past District Governors. The purpose of the committee is too assist our officers and members in any way we can to improve our membership numbers, help make our district became financially sound, and a host of other ideas. I think this is some of the best innovative thinking for progressing our district and I applaud her for this innovative idea for the district and also to put together all the years of past experience that our PDG's posses so you won't feel like you have been put out to pasture. Jackie has appointed me as the first chairperson and I have assured her I will do my level best to assist her and all of our present officers to continue to thrive for a healthier district. Most of our communicating can be done by email, telephone or even zoom meetings. I am scheduling the first meeting to be at the Double Tree Hotel on February 24<sup>th</sup> in the lobby of the Airport Double Tree Hotel at 4 PM. {This is the same time and place of the Forum this year.} I will see what I can do about a small conference room between now and then. Please let me know by February 15<sup>th</sup> if you can attend. All ideas are welcome and I will get them typed up for our first meeting. Our other speaker for the meeting was Scott Litle Executive Director from Big Brothers Big Sisters of the Great Lakes Bay Region. There is a great need for mentors.

Lions of Michigan Foundation is now selling their Sight and Hearing Sweepstakes tickets. We have been challenged by District 11E2 to see who can sell the most tickets. Let's make Governor Jackie proud and sell lots of tickets.

Your club can make this a fundraiser and get money back from the foundation. Sell 30 - 99 tickets gets your club \$3.50 per ticket; 100 - 249 gets your club \$5 per ticket; 250 plus will get your club \$5.50 per ticket. There is also a ticket seller drawing, so let's work together for the Foundation.

## EYEGLOSS MISSION TRIP 2022

HAPPY NEW YEAR! We are in the process of getting another group of used eyeglasses for another Mission Trip. The biggest challenge we now have is finding enough eye doctors to go with us. Any Club with access to an eye doctor is welcome to contact me at their earliest convenience. Due to the lack of doctors, we have had to cancel the Eyeglass Mission for October. We are planning a trip for the middle of February 2023 (*destination Puerto Penasco, Mexico*). If you are interested in participating, you can contact PDG Harry Johnson at 231-745-4524 or [lionharry1947@gmail.com](mailto:lionharry1947@gmail.com) for all the details.

## Cookbook Fundraiser

Lions Clubs are well known throughout the world for the services we provide to help people with hearing and vision loss. Nearly a century ago, Helen Keller challenged Lions Clubs to be "Knights of the Blind," and she declared that "the problems of deafness are deeper and more complex, if not more important, than those of blindness. Deafness is a much worse misfortune, for it means the loss of the most vital stimulus — the sound of the voice that brings language, sets thoughts astir and keeps us in the intellectual company of man."

Our new Lions Hearing Centers Cookbook was developed to create awareness for the treatment of hearing loss and to provide funding for our Michigan Lions Affordable Hearing Aid and Hearing Screening Programs, which offer affordable hearing care options for Michigan residents.

With your help, we can continue to change the lives of thousands of Michigan residents who need and depend on the Lions Clubs of Michigan and our partners, sponsors and friends for the treatment of their hearing loss. Lions Clubs or other nonprofit organizations who sell 20 or more cookbooks collectively will receive a \$5 rebate for each book sold to be used for their local projects.

As a Public Charity, all contributions to the Lions of Michigan Foundation are tax deductible to the full extent allowed by law. We appreciate your support!

The Michigan Lions Service Foundation has a new cookbook with recipes from Lions across the state of Michigan. Staying at home during COVID has encouraged more of us to try our hand at gourmet cooking and change our usual menu. Cookbooks sell for \$15.00 and can be purchased from your Foundation trustees Pam Schroeder or Pete Conarty. If a club would like to sell them as a fundraiser, the Foundation will reimburse you \$5.00 per cookbook for twenty plus cookbooks sold.
